Allerton Grange School Weekly Newsletter

Dear Parents, Carers and Students,

It's been another busy and eventful week at Allerton Grange, culminating in our celebration of **World Mental Health Day** today. This is an increasingly important occasion in our calendar, and we've taken time across the school to reflect on the importance of mental wellbeing, self-care, and supporting one another. Assemblies, tutor time activities, and student-led initiatives have helped raise awareness and promote positive mental health across our community.

A heartfelt thank you to all the **parents and carers who attended our Year 10 GCSE Journey Support Evening** earlier this week. It's always a pleasure to work in partnership with our parent community to support students as they navigate this important stage of their education. Your engagement and thoughtful questions made the evening a real success, and we're grateful to all staff who contributed their time and expertise.

We also held a successful **Year 13 Parents' Evening**, where students and families had the opportunity to discuss progress and next steps as we move closer to final exams and post-18 pathways. The event was positive and purposeful, and it was encouraging to see so many families engaging with staff online to ensure students are well-supported in their final year of Sixth Form.

As we move further into the autumn term, we continue to be proud of the resilience, ambition and kindness shown by our students. Thank you for your ongoing support in helping us maintain a strong and caring school community.

Wishing you all a restful weekend.

Warm regards,

Andrew Norrington
Headteacher
