## Allerton Grange School Weekly Newsletter

**Dear Parents, Carers and Members of the Allerton Grange Community,**

I hope you are all well as we approach the end of another busy half-term at AGS.

There is a wonderful sense of excitement in school as we look ahead to next week's production of **Little Shop of Horrors**. Our students and staff have been working tirelessly to bring this much-loved musical to life, and the atmosphere during rehearsals has been fantastic. Tickets have been selling incredibly fast and we are now very close to being completely sold out. If you haven't yet secured your seat, please do so as soon as possible. This is shaping up to be one of our most impressive school shows yet!

A huge thank you goes to our incredible students, who have given up so much of their time to rehearse and perfect their performances. Their dedication, teamwork and creativity continue to make us proud. My thanks also extend to our brilliant staff team, whose commitment and expertise have been instrumental in supporting the production. Events like this highlight the very best of Allerton Grange: ambition, collaboration and the confidence to shine.

### **Success at the ESU Churchill Public Speaking Competition**

We are delighted to share some fantastic news from the world of debating and public speaking. This year marked our first time entering the ESU (English-Speaking Union) Churchill Public Speaking Competition, and our students performed brilliantly.

Nathan (Year 10), Melissa (Year 11), and Amelia (Year 10) represented Allerton Grange at Round 2, which took place at St Peter's School, York. We are incredibly proud to announce that the team has now progressed to the Regional Finals. The judges were extremely impressed by all three students and provided wonderful feedback. They were particularly struck by Nathan's confident and compelling delivery - both judges agreed he was a "very impressive speaker," even adding that they could imagine him standing in the House of Commons in 10–15 years' time! What an extraordinary compliment.

This achievement reflects not only the students' hard work but also the growing strength of public speaking and debating at Allerton Grange. For any students feeling inspired, our Debating and Public Speaking Club meets every Tuesday, 3–4pm in the English Pod. It is open to all year groups from Year 7 to Year 13, and there truly is something for everyone, whether you're experienced or just curious to give it a try.

### **Our Student Virtues**

Finally, I would like to take a moment to celebrate our Student Virtues, which underpin everything we do at Allerton Grange: being Respectful, Ambitious, Responsible, and Courageous. These values are reflected daily in the way our students conduct themselves, take on new challenges, support one another, and strive for excellence both inside and outside the classroom.

Whether performing on stage, representing the school in competitions, engaging in service projects, or contributing positively in lessons, our students continue to embody these values with pride. We thank you for reinforcing these qualities at home and working with us to help every student grow into confident, thoughtful and resilient young people.

### **Parent Governor Vacancy**

We currently have a vacancy for a Parent Governor. This voluntary role runs for a four year term, and we warmly welcome nominations from parents and carers who can help represent the diverse community we serve.

**If you would like to stand as a candidate, please complete the [nomination form](#) and return it in a sealed envelope to Mrs B Manfredi, Headteacher's PA/Clerk to the Governing Body. Forms are also available on the school website and can be emailed to [chair@allertongrange.com](mailto:chair@allertongrange.com). Deadline: 3.00pm on Tuesday 24 February 2026.**

Thank you, as always, for your continued support. We look forward to welcoming many of you into school next week for the show and to celebrating more student successes over the weeks ahead.

**Warm regards**

**Andrew Norrington  
Headteacher**

## Sports Fixture Results

### Cross Country

Last Saturday, our cross country athletes, that were chosen to represent Leeds Schools, competed in the Yorkshire trials at GSAL.

We had students competing in **Year 7 (Zac, Will, Harris)**, **Year 9 (Euan)** and **Year 10 (Ellie, Woody)**.

The students have already done amazingly to reach this stage and we had Zac qualify from the Year 7 event. Ellie and Euan are reserve runners as they finished just outside the top 8.

### Rugby (Boys)

The **Year 7 team** played in the final of the Leeds Rhinos plate competition at the Rhinos training ground in Kirkstall. The group of students have performed incredibly to reach the final but came up against a very good Sherburn team and lost.

An amazing achievement just to get this far as some students had never played rugby before they came to AGS.

### Climbing

On Monday, we also had our first ever rock climbing event/fixture, competing against Allerton High. This is the first time the school has competed in a competition like this and the students who took part did extremely well on the speed climbs and technical climbs. AGS won 8-7.

### Table Tennis

This week was also our first **table tennis** fixture where we went to Allerton High. 14 students participated from year's 8-11. All students represented the school in great fashion and played some fantastic table tennis.

Herbie, Ryan and Robert came first in each of the 3 groups, with Herbie and Robert undefeated throughout.

### Badminton

**AGS key stage 4 girls** beat Roundhay 7-1  
**AGS key stage 4 boys** beat Roundhay 7-1

### Basketball

**Year 7 AGS B team** played a strong Trinity Academy in a fixture this week with some students representing the school for the first time. Unfortunately, they lost.

Yesterday, **Year 7** won all 3 basketball games, beating Roundhay, Allerton High 10-2 and Carr Manor 18-2.

### Litter Picking

On Monday, this week, the Year 7 Leadership Group joined the Friends of Roundhay Park's team of litter picking volunteers to help out in the local community, demonstrating our values of *Respectful* and *Responsible*. Despite, the damp, cold weather the students were absolutely amazing, scouring the park for any rubbish and discarded items, to help to keep the park clean and litter free. They received lots of praise for their efforts and enthusiasm, not only from the regular team of volunteers but also from members of the public. The students found some very interesting items which even earnt us the top two places in the volunteers' most unusual items found during the session - a pink fairy castle and a fishing rod! A massive thank you to the Friends of Roundhay Park, in particular Martin, for making us feel so welcome. We are all looking forward to arranging another volunteering litter picking session soon!

## Primary visit to Technology

On Tuesday and Wednesday, two classes of Year 6 students from Highfield Primary School visited us to take part in Design and Technology workshops.

Ms Hawkins led the groups, briefing them on how to work safely in the workshop, how to use a variety of tools, and how to follow a brief to make a musical instrument.

The students were all very focused, and each made either a xylophone, a rain shaker or hand bells.

Thank you to Ms Nau-Berry for supporting. We look forward to seeing lots of the Highfield students at Allerton Grange in September.

## KS3 Duolingo Leagues

The MFL Team has set up Duolingo Leagues for their KS3 classes in French, German and Spanish.

To take part, KS3 students need the codes shown.

The leaderboard will be displayed each week in the department and there will be prizes at different intervals for highest scoring students.

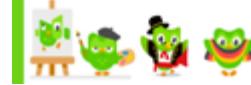

Students can compete in French, German or Spanish.

## Road Safety Reminder

We have seen a concerning number of children being distracted while walking to school or stepping out into the road without looking.

Please remind your child(ren) that they need to keep themselves safe while they are out and about.

- Always walk down the street to use a crossing. Don't take the shortcut and cross in-between parked cars.
- Always wait until you've crossed the road safely before looking at your phone. Don't let it distract you.
- When you cross the road, stand on the pavement behind the kerb, avoiding bends or the top of hill where you can't see clearly.
- When using a pedestrian crossing, stop and wait for the green man AND then check traffic has stopped in both directions.
- Before you cross the road, stop and look right, look left, look right again to double check that it's clear before you cross.
- Always wait when you see a car coming, even if you think there is time to cross. It's not worth the risk.
- Remember that using headphones and listening to music means you can't hear traffic and other road users as clearly. Make sure you stop and check carefully before you start crossing the road.
- If you are cycling, make sure you are wearing reflective clothing, have working lights and following the Highway Code.
- You must always wear a helmet to protect your head if you fall off your bike. Make sure it fits and the strap is snug under your chin. It could save your life.

### Eyes Up

Put your phone away, look out for your friends and don't distract them. Stay focused near traffic - Look right, left and right again before crossing the road and continue looking and listening while you cross.

### Slow Down

Take care and don't run across the road when traffic is coming, even if you think there is time. It can be difficult to judge the speed of traffic. If traffic coming, let it pass.

### Cross Safely

Always find a safe place to cross, use a pedestrian crossing if there is one and chose a place where you can see clearly in all directions.

## KS3 Classics Creative Writing Competition

Students in Years 7, 8, and 9 are invited to take part in this year's Classics Creative Writing Competition. This is a fantastic opportunity for students to explore their creativity and engage with the worlds of myth and ancient history.

The poster is yellow with a white border. At the top, the text 'KS3 CLASSICS CREATIVE WRITING COMPETITION' is written in a large, stylized, blue font. Below this, there are three options for writing prompts, each with a small illustration. The deadline for entries is Friday 13 February, with a large illustration of three Cerberus dogs at the bottom.

**OPTION 1:**  
WRITE A POEM BASED ON THE MYTH OF CUPID AND PSYCHE. A MYTH ABOUT LOVE, BETRAYAL, THE POWER OF THE GODS AND PUNISHMENTS.

**OPTION 2:**  
IN 61 AD, BODICCAA, QUEEN OF THE ICIEN LED A MASSIVE REBELLION AGAINST ROMAN RULE IN BRITAIN. WRITE A POEM BASED ON BODICCAA'S DEFEAT AT THE BATTLE OF WADING STREET.

**OPTION 3:**  
WRITE A PIECE OF CREATIVE WRITING TELLING YOUR OWN VERSION OF THE MYTH OF ORPHEUS. HE MUST GO TO THE UNDERWORLD TO RETRIEVE HIS WIFE, ERYTHEIA.

**DEADLINE FOR COMPETITION ENTRIES:  
FRIDAY 13 FEBRUARY**

Participants may choose to write either a poem or a piece of creative writing from the options. Entries will be submitted to the Classics Department at the University of Leeds, who will select finalists from schools across Yorkshire.

Finalists will be invited on a special trip to the University of Leeds, where they will have five minutes to read and perform their work in front of university staff and other finalists - a wonderful enrichment experience.

We are proud that in 2025, Allerton Grange students achieved first place in both the poetry and creative writing categories. We hope to build on that success again this year!

Students who would like further details can speak with Mrs Adams or Mr Flint, and parents are warmly encouraged to support their children in entering.

We look forward to reading your entries!

## ESU Public Speaking Success!

By Ms Halaka, Curriculum Leader for English

On Tuesday 3 February, our wonderful Public Speaking Team stormed through Round 2 of the prestigious English Speaking Union Churchill Public Speaking Competition at St Peter's School, York, and are now officially Regional Finalists!

Nathan (Speaker), Melissa (Chair), and Amelia (Questioner) impressed the judges with their performances and are delighted to be representing AGS at the Regional Finals in March. It was an absolute pleasure to take the students to the competition and it's been a joy working alongside them in preparation for the event. A huge thank you to the rest of the AGS Debating and Public Speaking Club - especially Bilal, Daylon, and Lila, and of course Ms Westwell and Ms Zoughi - for helping the team prepare for the competition.

We received this message from the ESU that we'd love to share to celebrate the achievements of our team:

*Congratulations to your school on progressing the regional finals of the ESU Public Speaking Competition! This is a wonderful achievement and a testament to the commitment and preparation shown by you and your students.*

*An Impressive Performance!*

*This year's competition brought together a wide range of strong and engaging speakers, making for a highly competitive round. Your students met the challenge with confidence, delivering thoughtful and persuasive speeches that stood out to our judges. Their achievement is something to be very proud of.*
