Allerton Grange School Weekly Newsletter

Dear Parents, Carers and Students,

As we move ever closer to the end of another successful academic year, this week has provided yet more opportunities to celebrate the achievements, commitment and character of our students.

Celebrating Success: Awards Evening

On Tuesday evening, we were delighted to welcome families to our annual **Awards Evening** for students in Years 7, 8, 9, 10 and 12. It was a wonderful occasion that recognised the hard work, determination and success of so many of our young people across the year. The event was exceptionally well attended, and I would like to thank all parents and carers who joined us to celebrate these achievements. Seeing students recognised for their efforts, supported by their families and teachers, is one of the highlights of the school calendar. A huge thank you also goes to the many staff who gave up their time to organise and support the evening. Events such as these are only possible because of the commitment and dedication of colleagues who work tirelessly behind the scenes. Congratulations once again to all of our award winners and nominees.

Bushcraft Residential

Later today, our students will return from their **Bushcraft Residential**. We have no doubt that they will come back with some fantastic memories, new experiences and perhaps a few stories to tell. The residential has provided students with opportunities to develop independence, resilience, teamwork and confidence outside the classroom. As always, these experiences play an important role in helping our young people grow and develop. I'm not entirely sure who will be more tired on their return – the students or the staff!

Thank you to the staff who have given up their own time to support the residential and make it possible. Their willingness to go above and beyond for our students is greatly appreciated and reflects the strong sense of community that exists at Allerton Grange.

Year 12 Work Experience

This week, our Year 12 students have been completing their **work experience placements** across a wide range of sectors and professions. Work experience offers invaluable opportunities for students to develop workplace skills, build confidence and gain a greater understanding of potential future career pathways. The feedback received so far has been extremely positive, and we are proud of the way our students have represented both themselves and the school. Well done to all of our Year 12 students for embracing the opportunity and demonstrating the ambition, responsibility and professionalism that we encourage at Allerton Grange.

Looking Ahead

As we enter the final weeks of term, there is still much to look forward to. Alongside the many educational opportunities taking place in lessons, students continue to be involved in trips, enrichment activities, transition events and celebrations that make this such a vibrant and successful school community.

With the warm weather set to continue and temperatures forecast to remain high over the coming weeks, **students will be permitted to continue wearing their PE kit for the remainder of the academic year**. This adjustment has helped students remain comfortable and better able to focus on their learning during periods of hot weather. We ask that students continue to wear their full AGS PE kit and maintain the high standards of appearance and conduct that we expect at Allerton Grange.

Thank you to parents and carers for your continued support and flexibility as we respond to the conditions and prioritise the wellbeing of our students and staff.

**With best wishes,
Andrew Norrington
Headteacher**

Water Safety

Please take a few minutes to read the [Environment Agency leaflet on Water Safety](#) to help our young people make safe choices.

Water claims the lives of more than 50 children a year in the UK. Drowning is among the leading causes of accidental death.

Under-estimating the dangers of water can have tragic consequences. You may be able to swim well in a warm indoor pool, but that does not mean you will be able to swim in cold water.

The key to staying safe is making the right choices to avoid getting into difficulty in the first place. This [leaflet](#) highlights some of the features and structures to be aware of, and offers top tips to help you enjoy our waterways safely.

Free School Meals - Changes from September 2026

From September 2026, all households receiving Universal Credit will qualify for Free School Meals. Eligible families could save up to £495 per year per child on school lunches. For families with multiple children, this could make a considerable difference to household budgets. **You will still need to apply for Free School Meals.**

If you think the new criteria applies to your household and either parent/carer is in receipt of Universal Credit, [please complete the Online Form by 10 July 2026](#). After this date, you will need to contact Leeds City Council directly.

By providing this information it will act as consent for these details to be passed to the Welfare and Benefits Service. They will then be able to check eligibility, and, if confirmed, put your child's free school meal in place for September 2026.

Find out about how to apply for Free School Meals on the [Leeds City Council website](#).

RSE Parent Survey

As part of our ongoing commitment to providing a high-quality Relationships and Sex Education (RSE) curriculum, we are inviting parents and carers to share your views through our RSE survey. Your feedback will help us review our current provision and ensure it continues to meet the needs of our students and reflects the values of our school community.

We would be grateful if you could take a few minutes to [complete the survey using this link](#).

Thank you for your support and partnership in this important area of education.

Year 12 Drama Exam

Last week, Year 12 Drama students performed their devised work to an audience of family, friends and teachers. From an interpretation of a Greek tragedy, to story of a fascist regime with a feline dictator, they gave exceptional performances, showed great imagination and skill, incorporating many technological elements to their performances. Well done to all, and thank you to the Drama Team and Technical Team for supporting!

Sports Awards - Friday 10 July 2026

The PE Team are hosting a Sports Awards evening on Friday 10 July, 5.00 - 7.00 pm. Students attending need to pay for their tickets on ParentPay.

Sports Fixture Results

Basketball

Last weekend, the **Year 7 and 8 Basketball team** played in the finals of the Yorkshire Cup. After losing to Notre Dame and winning against Abbey Grange in the 3rd/4th place play-off, Allerton Grange finished 3rd out of all the schools in Yorkshire.

Cross Country

Mr Nutch received a delivery of medals for the **Year 7 Cross Country team**, who finished 3rd throughout the season in the whole of Leeds.

This is a credit to Will, Zac, Harry F and Rory who have given up their own time on a weekend to compete for school.

Athletics

1500m

Ellie in Year 10 has been selected to represent West Yorkshire in the 1500m at the English Schools Athletics Championship, next weekend, in Birmingham. This is an amazing achievement and testament to the hard work and dedication Ellie has put in to her sports.

Race Walking

Harry R in Year 7 represented West Yorkshire Schools in the Year 7 ESAA regional competition in Doncaster on Saturday where he won the Year 7 Boys' 1000 metres race walk in a new personal best of 5.05.09.

Harry has been selected to represent West Yorkshire Schools in the Year 7 race walk at the English Schools Athletics Association Combined Events & Race Walking Championships in September.

Free school subscription to Financial Times

As a school, we are registered with the Financial Times and all students are able to read for free online. Students should go to <https://professional.ft.com/free-for-schools>, select Allerton Grange School and login with their school email address.

Year 7 Bushcraft Trip

This week, Year 7 students have been experiencing life in the outdoors at their Bushcraft residential.

When they arrived on Wednesday, they set up camp and took part in building shelters, making fires and cooking their own burgers.

On Thursday, students learnt important first aid skills and finished the day with a talent show and pizza night.

This morning, they packed up their camp and took part in their last activities before setting off back to school.

Year 8 Girls Computing Hackathon

A group of Year 8 students recently took part in a Computing Hackathon for Girls, designed to encourage creativity, problem-solving and an interest in digital technology careers.

The event began with an inspiring talk from a guest speaker working in the tech industry, who shared her experiences working in Computing and discussed the journey that led to her current role.

Students then worked collaboratively in small teams to identify a real-world problem and design an app-based solution. As part of the design process, they created mood boards, logos, mind maps to demonstrate functionality, and user interface designs.

The day concluded with each team pitching their app idea to a panel consisting of our guest speaker, teachers and students from an older year group.

There were some wonderful ideas and designs on display, with teams tackling a range of real-world challenges through innovative and thoughtful app concepts.

The girls demonstrated excellent teamwork, creativity and presentation skills throughout the event and should be extremely proud of what they achieved.

Awards Evening

On Tuesday evening, we held our annual Awards Evening, where we celebrated the achievements of students from across the school with families, friends and members of staff. Congratulations to all students who received awards!

School Uniform Changes from September 2026

In September, we are making some **important updates to our School Uniform** in line with the national guidance set out in the Children's Wellbeing and Schools Bill.

These changes are designed to support families by reducing the overall cost of school uniform. This will be achieved by limiting the number of compulsory branded items and increasing flexibility in where uniform items can be purchased.

As a result, families will be able to buy more items from a wider range of retailers, helping to ensure excellent value for money, while maintaining a smart and consistent appearance across our student body. We remain fully committed to a uniform that promotes pride in our school community, while also being affordable, practical and inclusive.

The only changes will be to the PE kit, and full details are below.

All students need to have an AGS branded polo shirt and an AGS branded long sleeved top. All other PE kit does not need to be AGS branded eg plain navy football socks, plain navy shorts.

We want you

Are you struggling to get your child to see a dentist?

Do you think they can sit on a dental chair and accept dental treatment?

Are they between 5 and 14 years old?

We are currently introducing a scheme in which we accept parental referrals for children to receive a course of treatment at the Leeds Dental Institute. This means that we are able to offer appointments to children on a first-come first-served basis.

The Leeds Dental Institute (LDI) Student Clinic is a teaching unit which aims to provide the best possible care for our patients. Our students provide patient care appropriate to their level of training and experience and are closely supervised by registered dental professionals who are teaching staff for the School of Dentistry, University of Leeds.

This scheme is not intended to provide emergency dental care for your child. If your child is experiencing dental pain, you should look up urgent care services that provide dental treatment or contact NHS 111. Leeds University Dental Students would not replace your General Dental Practitioner. Your child will be discharged after the completion of a course of treatment.

Appointments are **Monday-Friday in term time**. Treatment is scheduled around University holidays, exams and other student commitments. Missed appointments without prior notification may lead to your child being discharged from the care of University of Leeds Dental Students.

Scan this QR code to access our referral form. Once completed, email it to: leedsdth-tr.dentpaedvolunteers@nhs.net

MENINGITIS + SEPTICAEMIA

Meningitis NOW

Meningitis is a serious condition where the protective layers around the brain and spinal cord become inflamed. Septicaemia is when the bacteria enter the bloodstream to cause blood poisoning. They can happen to anyone, so it's important to know the symptoms and risks.

Early symptoms, such as fever, vomiting, aches, muscle pain, cold hands and feet and headaches, can look similar to common illnesses like colds or flu. But someone with meningitis or septicaemia will usually become seriously ill in a matter of hours. That's why it's crucial to keep checking on anyone who is unwell.

MENINGITIS SYMPTOMS?

- fever
- a very bad headache (this alone is not a reason to get medical help)
- vomiting
- stiff neck
- dislike of bright lights
- rash (DO NOT wait for a rash to appear before seeking medical advice)
- confusion, delirium
- severe sleepiness, losing consciousness
- fits

SEPTICAEMIA SYMPTOMS?

- fever and shivering
- severe pains and aches in limbs and joints
- vomiting
- very cold hands and feet
- pale or blotchy skin
- rapid breathing
- diarrhoea and stomach cramps
- red or purple 'bruised' or blotchy rash on skin that does not fade under pressure - do the glass test. On dark skin, check paler areas of the skin, such as the palms of the hands, soles of the feet, inside the mouth (roof), and the eyelids
- difficulty walking or standing
- severe sleepiness, losing consciousness

If you become worried about yourself, your child, or a friend, particularly if symptoms are getting worse, seek medical help urgently.

EARLY TREATMENT CAN BE LIFE-SAVING.

Social communication and interaction (including autism) team parent / professionals training

This session is free to both parent and professionals.

Parents can book their places by emailing leedsforlearning@leeds.gov.uk.

Emotional Wellbeing

- 11 November 2026, 10am to 11.30am
- 11 November 2026, 5pm till 6.30pm

This session will explore why autistic children and young people are at greater risk of poor mental health. We will discuss how we can work with children and young people to explore the causes of poor mental health, overcome barriers to wellbeing, and support the development of coping mechanisms. The session is best suited to parents and professionals supporting children of school age. The content may be less useful for those supporting children in the early years or who are developmentally equivalent to a child in the early years.

Sensory Support in the Home

- 3 March 2027, 10am to 11.30am
- 3 March 2027, 5pm till 6.30pm

This session will give a brief introduction to sensory processing and regulation, exploring its importance in supporting the wellbeing of autistic children and young people. The session will also offer advice around sensory support strategies that can be implemented in the home. This session is for parents and professionals supporting children of any age.

Keeping autistic children and young people safe online

- 5 May 2027, 10am to 11.30am
- 5 May 2027, 5pm till 6.30pm

This session is suitable for parents and professionals who are currently supporting children and young people to navigate the online world safely. During this workshop we will explore the importance of online media to autistic identity and wellbeing- to build positive connections and communities. We will also discuss how to monitor the safe use of online platforms and understand vulnerabilities when young people access these.

Leeds SEND Youth Council

The Leeds SEND Youth Council is a group of young people aged 11 to 25 years old with special educational needs and disabilities (SEND) who live in Leeds or attend school in Leeds.

What is involved?

- A group of young people aged 11 to 25 years old with special educational needs and disabilities in Leeds.
- They meet twice a month in person, and once a month online.
- They work on campaigns and projects they are passionate about.
- Different teams and services from across the city visit the group, provide information and seek their views about what is happening in Leeds for young people with SEND.
- There are opportunities to take part in other youth voice opportunities to influence SEND services in Leeds.

What are the benefits?

- Learn about and contribute to improving SEND services for young people in Leeds.
- Learn new skills and build new friendships.
- Share ideas and experiences with decision makers.
- Have your say and make a difference!

To get involved email VIC@leeds.gov.uk

Neurodiversity Support Resources

The West Yorkshire Neurodiversity Programme and AllStar, have developed high-quality, practical, and accessible resources to support neurodivergent individuals and their families across Bradford, Calderdale, Kirklees, Leeds, and Wakefield.

Resources have been developed for the following key areas:

- School transitions
- Sleep
- Food

There are videos, booklets and audio formats, available in plain text, with or without subtitles, and with or without sound to suit different learning preferences.

The resources are [available here](#).

Road Safety Reminder

We have seen a concerning number of children being distracted while walking to school or stepping out into the road without looking.

Please remind your child(ren) that they need to keep themselves safe while they are out and about.

- Always walk down the street to use a crossing. Don't take the shortcut and cross in-between parked cars.
- Always wait until you've crossed the road safely before looking at your phone. Don't let it distract you.
- When you cross the road, stand on the pavement behind the kerb, avoiding bends or the top of hill where you can't see clearly.
- When using a pedestrian crossing, stop and wait for the green man AND then check traffic has stopped in both directions.
- Before you cross the road, stop and look right, look left, look right again to double check that it's clear before you cross.
- Always wait when you see a car coming, even if you think there is time to cross. It's not worth the risk.
- Remember that using headphones and listening to music means you can't hear traffic and other road users as clearly. Make sure you stop and check carefully before you start crossing the road.
- If you are cycling, make sure you are wearing reflective clothing, have working lights and following the Highway Code.
- You must always wear a helmet to protect your head if you fall off your bike. Make sure it fits and the strap is snug under your chin. It could save your life.

Eyes Up

Put your phone away, look out for your friends and don't distract them. Stay focused near traffic - Look right, left and right again before crossing the road and continue looking and listening while you cross.

Slow Down

Take care and don't run across the road when traffic is coming, even if you think there is time. It can be difficult to judge the speed of traffic. If traffic coming, let it pass.

Cross Safely

Always find a safe place to cross, use a pedestrian crossing if there is one and chose a place where you can see clearly in all directions.
