Allerton Grange School Weekly Newsletter

Dear Parents, Carers and Students,

As we approach the final full week of the academic year, I would like to thank our students and staff for another successful and incredibly busy week. Despite the very warm temperatures, our students have continued to demonstrate resilience, maturity and a positive attitude to learning. They have coped exceptionally well and have represented Allerton Grange School with pride.

There have been a number of exciting opportunities for students this week. Our **Year 9 trip to the Yorkshire Sculpture Park** was a huge success, providing students with a wonderful opportunity to engage with art and creativity beyond the classroom. My thanks go to all of the staff who supported the visit and made the experience possible.

We were also delighted to welcome our current Year 11 students back into school for two highly successful **Sixth Form Transition Days**. These days provided an excellent opportunity for students to experience post-16 study, meet staff and prepare for the exciting next stage of their educational journey. The enthusiasm and engagement shown by students across both days was fantastic to see.

Earlier in the week, students enjoyed an unforgettable experience on our **PE trip to Wimbledon**. For many, this was a once-in-a-lifetime opportunity to witness world-class sport at one of the most iconic sporting venues in the world. We are incredibly grateful to the staff who gave up their time to make this visit possible and provide such memorable experiences for our students.

Wednesday evening also saw our **Key Stage 3 Drama Showcase**, which was a tremendous success. Our talented students delivered a fantastic performance, demonstrating confidence, creativity and the results of months of hard work and rehearsal. It was particularly pleasing to see such an excellent turnout from parents and carers, whose support helped to create a wonderful atmosphere throughout the evening. Thank you to our Drama department and everyone involved behind the scenes for providing such a memorable experience for our students and families.

This morning, our **Music Tour** departed with a coach full of excited students and staff. We wish everyone involved a fantastic trip and look forward to hearing all about their performances and experiences when they return.

Our school values and student virtues were also on display this week. Students from Allerton Grange worked alongside the **Friends of Roundhay Park** to help clear litter from the site following last weekend's Roundhay Festival. Their willingness to give their time to support the local community demonstrated the virtues of responsibility, compassion and community. We are extremely proud of all those who took part and represented the school so positively.

Finally, with the warm weather forecast to continue into next week, I would like to remind families that the temporary **PE uniform expectations** remain in place for the final week of term. These arrangements have helped keep students comfortable while maintaining high standards, and we appreciate your continued support.

Thank you, as always, for your ongoing support. We look forward to a positive and successful final week of the academic year.

Kind regards,
Andrew Norrington
Headteacher

Water Safety

Please take a few minutes to read the [Environment Agency leaflet on Water Safety](#) to help our young people make safe choices.

Water claims the lives of more than 50 children a year in the UK. Drowning is among the leading causes of accidental death.

Under-estimating the dangers of water can have tragic consequences. You may be able to swim well in a warm indoor pool, but that does not mean you will be able to swim in cold water.

The key to staying safe is making the right choices to avoid getting into difficulty in the first place. This [leaflet](#) highlights some of the features and structures to be aware of, and offers top tips to help you enjoy our waterways safely.

What's in Your Vape?

Following incidents with students using vapes, to help keep all members of our community safe, please read the information below, provided by Leeds City Council, about vapes and the dangerous substances they may contain.

WHAT'S IN YOUR VAPE?

An increasing number of vapes contain illicit substances - and it's impossible to know **which** ones they are without having them tested.

Most vapes that are sold as **'THC'** or **'cannabis'** actually contain **'spice'** - a synthetic drug that is much more dangerous and addictive.

Cannabis is a plant-based drug that can affect **mood, memory, and coordination.**

While it can still lead to dependence and mental health harms, there is no risk of fatal overdose.

"Spice" is the name given to a range of synthetic (man-made) drugs.

200+ types of spice have been identified so far.

They are all more dangerous and more unpredictable than cannabis. They carry a far higher risk of addiction, overdose, psychosis, seizures, and death.

"Spice" is incredibly cheap to produce. Criminals can make bigger profits by selling it as cannabis or THC. Recently over 95% of 'drug vapes' tested were found to contain 'spice'.

"Spice" has also been found in sweets and other foods sold as 'cannabis edibles' and in herbs sold as cannabis.

The only way to know what your drugs contain is to have them tested!

Free drug testing is available through Wedinos.

Scan for more info.

MYTHS & FACTS

Because **'spice'** & **'drug vapes'** are relatively new there is a lot of misinformation about them.

The number one rule of harm reduction is **know what you are taking.**

With vapes the only way to know is to **test!**

MYTH: You can tell if it's THC by the colour - it will be a greeny-oily colour.

FACT: 'Spice' can be made in any colour, including those matching THC. Any colourful liquids are likely to be dangerous, fake nicotine liquids or 'spice'.

MYTH: You can tell if it's real by the price - THC and cannabis vapes/liquid will cost more.

FACT: While it's true that 'spice' is much cheaper to produce, dealers just have to raise the price to convince you it's THC! Then they make more profit!

MYTH: You can tell if it's THC by the type of coil in the vape.

FACT: THC can only be vaped via a ceramic coil, 'spice' can be vaped via **any** coil. If it's not ceramic it's not THC. Just because it's ceramic, doesn't mean it's THC.

MYTH: Thick vape liquid, or liquid that traps bubbles is real THC or cannabis.

FACT: Vape liquids can be made thicker or thinner, whatever the dealer wants. There is no way to be sure without testing!

Allerton Grange School Parent Survey

Please take a few moments to complete the AGS Parental Engagement Survey and share your views.

Your feedback helps us to strengthen our partnership with families and continue improving the experience of all students at Allerton Grange School

[Click to complete the Parent Survey](#)

Free School Meals - Changes from September 2026

From September 2026, all households receiving Universal Credit will qualify for Free School Meals. Eligible families could save up to £495 per year per child on school lunches. For families with multiple children, this could make a considerable difference to household budgets. **You will still need to apply for Free School Meals.**

If you think the new criteria applies to your household and either parent/carer is in receipt of Universal Credit, [please complete the Online Form by 10 July 2026](#). After this date, you will need to contact Leeds City Council directly.

By providing this information it will act as consent for these details to be passed to the Welfare and Benefits Service. They will then be able to check eligibility, and, if confirmed, put your child's free school meal in place for September 2026.

Find out about how to apply for Free School Meals on the [Leeds City Council website](#).

RSE Parent Survey

As part of our ongoing commitment to providing a high-quality Relationships and Sex Education (RSE) curriculum, we are inviting parents and carers to share your views through our RSE survey. Your feedback will help us review our current provision and ensure it continues to meet the needs of our students and reflects the values of our school community.

We would be grateful if you could take a few minutes to [complete the survey using this link](#).

Thank you for your support and partnership in this important area of education.

Free school subscription to Financial Times

As a school, we are registered with the Financial Times and all students are able to read for free online.

Students should go to <https://professional.ft.com/free-for-schools>, select Allerton Grange School and login with their school email address.

KS3 Duolingo Leagues

The MFL Team has set up Duolingo Leagues for their KS3 classes in French, German and Spanish. To take part, KS3 students need the codes shown.

The leaderboard will be displayed each week in the department and there will be prizes at different intervals for highest scoring students. Students can compete in French, German or Spanish.

Lost Property

If your child has lost anything in school, please ask them to **check lost property at Main Reception by Wednesday 15 July 2026**. After this date, unclaimed uniform items will be donated to the AGS School Uniform Exchange. Other items will be donated to charity.

Please remember to mark all belongings with your child's name.

Sports Fixture Results

Cricket

This week, the Year 7/8 Cricket team played Roundhay and won the match.

Yorkshire Cricket Debut

Huge congratulations to Sam in Year 10 who played his first game for Yorkshire U15 on Wednesday, earning his first cap. He took 4 catches as wicket keeper making it a great debut!

Rounders (girls)

Our Year 8 and Year 10 Rounders team played in the finals at Horsforth School this week. This was the top teams in Leeds competing to be crowned champions. The AGS Year 8 team finished 3rd and the Year 10 team won! Well done to all.

Wimbledon Trip by Mr Gaunt, Teacher of PE

In the early hours of Monday morning, 40 of our Year 9 students travelled down to London for our annual Wimbledon trip.

In 30 degree heat, we saw 4 excellent games of tennis. as well as enjoying everything Wimbledon as a venue has to offer.

On Tuesday, we then enjoyed some free time around Covent Garden as students were able to shop and view some of London's most famous landmarks on our bus ride around the city.

Gledhow Transition Workshops and Concert

On Monday 6 July, we welcomed 73 students from Gledhow Primary School to Allerton Grange School for an afternoon of music, dance and creative workshops ahead of our annual Transition Concert in the evening.

The workshops provided students with an exciting opportunity to work alongside AGS students and staff, developing their skills and preparing for the performance.

A particular highlight was the Samba workshop, led by the wonderful Theresa Casey, which involved over 100 students.

We were also delighted to welcome two members of Gledhow staff, who delivered carnival-themed dance and arts and crafts workshops.

The evening concert was a huge success, showcasing a vibrant mix of music and dance performances.

Thank you to everyone who supported, attended and took part in making the event such a memorable celebration of creativity and collaboration.

Students confidently shared their experiences of the day, and it was fantastic to perform to a full audience.

Congratulations to Rupert in Year 7 for achieving a Merit in his grade 1 trumpet exam

Around the World in 80 Days!

On Wednesday evening, our KS3 Drama students presented Around the World in 80 Days to a packed audience.

We were transported, along with Phileas Fogg and Passepartout, by train and boat (and train!) from London to Suez via Brindisi, then on to Bombay, Calcutta, Hong Kong, Yokohama, San Francisco, New York and back to London. The intrepid duo overcame challenges, rescued a princess, encountered a circus troupe and battled timezones, all whilst being pursued by Inspector Fix! What a show!

Thank you to all the students from Year 7, 8 and 9 who took part, to the Drama and Tech Team, and to everyone who came along to watch.

Pre Tour Concert

On Thursday afternoon, students from KS3, KS4 and KS5 performed a concert as their final rehearsal before setting off today on a music tour to Lake Garda.

There were outstanding performances from the Concert Band, Jazz Band, School of Rock bands, Choir and Set List.

Thank you to the string ensemble and Year 7 School of Rock, who also performed to an audience of student musicians and staff.

School Uniform Changes from September 2026

In September, we are making some **important updates to our School Uniform** in line with the national guidance set out in the Children's Wellbeing and Schools Bill.

These changes are designed to support families by reducing the overall cost of school uniform. This will be achieved by limiting the number of compulsory branded items and increasing flexibility in where uniform items can be purchased.

As a result, families will be able to buy more items from a wider range of retailers, helping to ensure excellent value for money, while maintaining a smart and consistent appearance across our student body. We remain fully committed to a uniform that promotes pride in our school community, while also being affordable, practical and inclusive.

The only changes will be to the PE kit, and full details are below.

All students need to have an AGS branded polo shirt and an AGS branded long sleeved top. All other PE kit does not need to be AGS branded eg plain navy football socks, plain navy shorts.

We want you

Are you struggling to get your child to see a dentist?

Do you think they can sit on a dental chair and accept dental treatment?

Are they between 5 and 14 years old?

We are currently introducing a scheme in which we accept parental referrals for children to receive a course of treatment at the Leeds Dental Institute. This means that we are able to offer appointments to children on a first-come first-served basis.

The Leeds Dental Institute (LDI) Student Clinic is a teaching unit which aims to provide the best possible care for our patients. Our students provide patient care appropriate to their level of training and experience and are closely supervised by registered dental professionals who are teaching staff for the School of Dentistry, University of Leeds.

This scheme is not intended to provide emergency dental care for your child. If your child is experiencing dental pain, you should look up urgent care services that provide dental treatment or contact NHS 111. Leeds University Dental Students would not replace your General Dental Practitioner. Your child will be discharged after the completion of a course of treatment.

Appointments are **Monday-Friday in term time**. Treatment is scheduled around University holidays, exams and other student commitments. Missed appointments without prior notification may lead to your child being discharged from the care of University of Leeds Dental Students.

Scan this QR code to access our referral form. Once completed, email it to: leedsdth-tr.dentpaedvolunteers@nhs.net

MENINGITIS + SEPTICAEMIA

Meningitis NOW

Meningitis is a serious condition where the protective layers around the brain and spinal cord become inflamed. Septicaemia is when the bacteria enter the bloodstream to cause blood poisoning. They can happen to anyone, so it's important to know the symptoms and risks.

Early symptoms, such as fever, vomiting, aches, muscle pain, cold hands and feet and headaches, can look similar to common illnesses like colds or flu. But someone with meningitis or septicaemia will usually become seriously ill in a matter of hours. That's why it's crucial to keep checking on anyone who is unwell.

MENINGITIS SYMPTOMS?

- fever
- a very bad headache (this alone is not a reason to get medical help)
- vomiting
- stiff neck
- dislike of bright lights
- rash (DO NOT wait for a rash to appear before seeking medical advice)
- confusion, delirium
- severe sleepiness, losing consciousness
- fits

SEPTICAEMIA SYMPTOMS?

- fever and shivering
- severe pains and aches in limbs and joints
- vomiting
- very cold hands and feet
- pale or blotchy skin
- rapid breathing
- diarrhoea and stomach cramps
- red or purple 'bruised' or blotchy rash on skin that does not fade under pressure - do the glass test. On dark skin, check paler areas of the skin, such as the palms of the hands, soles of the feet, inside the mouth (roof), and the eyelids
- difficulty walking or standing
- severe sleepiness, losing consciousness

If you become worried about yourself, your child, or a friend, particularly if symptoms are getting worse, seek medical help urgently.

EARLY TREATMENT CAN BE LIFE-SAVING.

Social communication and interaction (including autism) team parent / professionals training

This session is free to both parent and professionals.

Parents can book their places by emailing leedsforlearning@leeds.gov.uk.

Emotional Wellbeing

- 11 November 2026, 10am to 11.30am
- 11 November 2026, 5pm till 6.30pm

This session will explore why autistic children and young people are at greater risk of poor mental health. We will discuss how we can work with children and young people to explore the causes of poor mental health, overcome barriers to wellbeing, and support the development of coping mechanisms. The session is best suited to parents and professionals supporting children of school age. The content may be less useful for those supporting children in the early years or who are developmentally equivalent to a child in the early years.

Sensory Support in the Home

- 3 March 2027, 10am to 11.30am
- 3 March 2027, 5pm till 6.30pm

This session will give a brief introduction to sensory processing and regulation, exploring its importance in supporting the wellbeing of autistic children and young people. The session will also offer advice around sensory support strategies that can be implemented in the home. This session is for parents and professionals supporting children of any age.

Keeping autistic children and young people safe online

- 5 May 2027, 10am to 11.30am
- 5 May 2027, 5pm till 6.30pm

This session is suitable for parents and professionals who are currently supporting children and young people to navigate the online world safely. During this workshop we will explore the importance of online media to autistic identity and wellbeing- to build positive connections and communities. We will also discuss how to monitor the safe use of online platforms and understand vulnerabilities when young people access these.

Leeds SEND Youth Council

The Leeds SEND Youth Council is a group of young people aged 11 to 25 years old with special educational needs and disabilities (SEND) who live in Leeds or attend school in Leeds.

What is involved?

- A group of young people aged 11 to 25 years old with special educational needs and disabilities in Leeds.
- They meet twice a month in person, and once a month online.
- They work on campaigns and projects they are passionate about.
- Different teams and services from across the city visit the group, provide information and seek their views about what is happening in Leeds for young people with SEND.
- There are opportunities to take part in other youth voice opportunities to influence SEND services in Leeds.

What are the benefits?

- Learn about and contribute to improving SEND services for young people in Leeds.
- Learn new skills and build new friendships.
- Share ideas and experiences with decision makers.
- Have your say and make a difference!

To get involved email VIC@leeds.gov.uk

Neurodiversity Support Resources

The West Yorkshire Neurodiversity Programme and AllStar, have developed high-quality, practical, and accessible resources to support neurodivergent individuals and their families across Bradford, Calderdale, Kirklees, Leeds, and Wakefield.

Resources have been developed for the following key areas:

- School transitions
- Sleep
- Food

There are videos, booklets and audio formats, available in plain text, with or without subtitles, and with or without sound to suit different learning preferences.

The resources are [available here](#).

Road Safety Reminder

We have seen a concerning number of children being distracted while walking to school or stepping out into the road without looking.

Please remind your child(ren) that they need to keep themselves safe while they are out and about.

- Always walk down the street to use a crossing. Don't take the shortcut and cross in-between parked cars.
- Always wait until you've crossed the road safely before looking at your phone. Don't let it distract you.
- When you cross the road, stand on the pavement behind the kerb, avoiding bends or the top of hill where you can't see clearly.
- When using a pedestrian crossing, stop and wait for the green man AND then check traffic has stopped in both directions.
- Before you cross the road, stop and look right, look left, look right again to double check that it's clear before you cross.
- Always wait when you see a car coming, even if you think there is time to cross. It's not worth the risk.
- Remember that using headphones and listening to music means you can't hear traffic and other road users as clearly. Make sure you stop and check carefully before you start crossing the road.
- If you are cycling, make sure you are wearing reflective clothing, have working lights and following the Highway Code.
- You must always wear a helmet to protect your head if you fall off your bike. Make sure it fits and the strap is snug under your chin. It could save your life.

Eyes Up

Put your phone away, look out for your friends and don't distract them. Stay focused near traffic - Look right, left and right again before crossing the road and continue looking and listening while you cross.

Slow Down

Take care and don't run across the road when traffic is coming, even if you think there is time. It can be difficult to judge the speed of traffic. If traffic coming, let it pass.

Cross Safely

Always find a safe place to cross, use a pedestrian crossing if there is one and chose a place where you can see clearly in all directions.
