Allerton Grange School Weekly Newsletter

Dear Parents, Carers and Students,

As we come to the end of another busy and positive week at Allerton Grange, I would like to thank our students, staff and families for their continued support. It has been wonderful to see the school full of energy, enthusiasm and engagement both inside and outside of the classroom.

One of the real highlights of the week has been the incredible participation in our sports programme and wider enrichment offer. Whether representing the school in fixtures and competitions, attending clubs, rehearsals and activities after school, or taking part in leadership and service opportunities, our students continue to embrace everything that Allerton Grange has to offer. These experiences play a vital role in developing confidence, character and a sense of belonging, and I would like to thank all of the staff who give up their time to provide such a rich programme of opportunities for our young people. Equally, thank you to our students for the enthusiasm, commitment and positivity they bring to these activities each week.

Parent Friendly Schools

A key priority within our school improvement work continues to be strengthening our partnership with parents and carers. As a recognised Parent Friendly School, we remain committed to ensuring that families feel informed, supported and involved in their child's education. This work forms an important part of our wider commitment to building strong relationships between home and school and ensuring that every student can aspire, grow and succeed.

It was fantastic to welcome so many parents and carers to this week's Year 11 Supporting Success Evening. The evening provided an opportunity to share key information about the year ahead, revision strategies, examination preparation and the support available to students. Thank you to everyone who attended. We know that students achieve their best when home and school work together, and we look forward to continuing this partnership throughout the year at similar events for the remaining year groups.

Road Safety Reminder

Thank you to the vast majority of parents and carers who continue to support our efforts to keep students safe at the start and end of the school day.

As a reminder, the school car park at the front of the building is for staff and authorised visitors only. Parents and carers do not have access to the school car park unless this has been agreed in advance by the school. This arrangement is in place to protect the safety of our students and to ensure that emergency and operational access is maintained at all times.

When dropping off or collecting students, please use the designated areas around the school site and avoid parking in locations that obstruct traffic flow or pedestrian access. We are grateful for your continued cooperation in helping us maintain a safe environment for everyone in our school community. This aligns with the guidance provided to families regarding the use of school access and visitor parking arrangements.

Thank you once again for your ongoing support. I hope you and your family have a safe and enjoyable weekend, and I look forward to welcoming our students back next week for another successful week at Allerton Grange.

**Kind regards,
Andrew Norrington
Headteacher**

Road Safety

Parents and Carers - We need your help to keep all members of our community safe as there have been a number of near miss accidents outside school.

If you are driving your child to school, particularly along Talbot Avenue, we ask that you take care, be considerate to pedestrians and other drivers, and follow the Highway Code (INDICATE BEFORE STOPPING AND BEFORE DRIVING AWAY; DO NOT STOP ON YELLOW ZIG ZAG LINES OUTSIDE OF SCHOOL; DO NOT USE THE SCHOOL ENTRANCE TO TURN AROUND; DO NOT DO A THREE POINT TURN OUTSIDE OF SCHOOL).

Where possible, please drop your child off further away so they can walk the last part of their journey to school. Thank you for your support.

Reminder for students

We have seen a concerning number of children being distracted while walking to school or stepping out into the road without looking.

Please remind your child(ren) that they need to keep themselves safe while they are out and about.

- Always walk down the street to use a crossing. Don't take the shortcut and cross in-between parked cars.
- Always wait until you've crossed the road safely before looking at your phone. Don't let it distract you.
- When you cross the road, stand on the pavement behind the kerb, avoiding bends or the top of hill where you can't see clearly.
- When using a pedestrian crossing, stop and wait for the green man AND then check traffic has stopped in both directions.
- Before you cross the road, stop and look right, look left, look right again to double check that it's clear before you cross.
- Always wait when you see a car coming, even if you think there is time to cross. It's not worth the risk.
- Remember that using headphones and listening to music means you can't hear traffic and other road users as clearly. Make sure you stop and check carefully before you start crossing the road.
- If you are cycling, make sure you are wearing reflective clothing, have working lights and following the Highway Code.
- You must always wear a helmet to protect your head if you fall off your bike. Make sure it fits and the strap is snug under your chin.
It could save your life.

Eyes Up

Put your phone away, look out for your friends and don't distract them. Stay focused near traffic - Look right, left and right again before crossing the road and continue looking and listening while you cross.

Slow Down

Take care and don't run across the road when traffic is coming, even if you think there is time. It can be difficult to judge the speed of traffic. If traffic coming, let it pass.

Cross Safely

Always find a safe place to cross, use a pedestrian crossing if there is one and choose a place where you can see clearly in all directions.

Sports Fixture Results

Football (Boys)

On Tuesday night, Year 8 boys played two games at Allerton High. They lost a close game to Allerton High 2-1, and then went on to beat Wetherby 2-0.

Our Year 9 boys' team had a steady, professional away performance to Carr Manor and beat them 2-0.

Football (Girls)

The Year 8/9 girls' Football team played against Cardinal Heenan in a cup match. They lost 5-1 but did amazingly well as some of the students had never played 11 aside football before, and the majority of students were from Year 8.

Year 11 Supporting Success Evening

Thank you to all parents and carers who joined us for the Year 11 Supporting Success Evening to find out how they can support their children during this important school year.

[You can view and download the presentation slides on the school website.](#)

The KS4 Team will be working with your children in school, to help all students to reach their full potential during Year 11. Please get in touch if you have any questions.

Music Ambassadors - Apply Now!

Music Ambassadors play an important part in supporting music activities in school including hosting concerts, running 'front of house', taking tickets at the door, baking cakes, setting up stalls selling food and drinks, and making posters to promote concerts and events.

Students are invited to apply to be a Music Ambassador by Friday 2 October 2026.

To apply, students need to write a couple of paragraphs outlining what they would like to get involved with, what their skills are, if they're musical. They can also include any ideas they have for the Music department.

You can drop your application off in the Music Pod or email your Music Teacher.

The Big Future Survey - Have your voice heard

Dame Rachel de Souza, Children's Commissioner for England, is asking all children and young people to complete The Big Future survey.

Dame de Souza says: "It is crucial that children at your school have the chance to add their voices too, so that their experiences, views and aspirations are represented when I present the findings of the survey to Government."

Every child's voice matters, and I want to make sure that children and young people in every school and college, in every community, have the opportunity to shape the picture of childhood that I will share with Government."

[You can find out more about The Big Survey by visiting the website](#)

[You have until 23 October 2026 to complete the survey](#)

Allerton Grange Student Virtues

Focus for Half-term 1: Respect

At Allerton Grange, we believe that education is about much more than academic achievement.

We are committed to helping our students develop the personal qualities and values that will enable them to succeed both in school and beyond.

By being respectful, responsible, ambitious and courageous, our students won't only achieve academic success but, more importantly, develop into well-rounded individuals who thrive in all areas of their lives and make positive contributions to their communities and society as a whole.

We recognise the importance of these qualities and are committed to providing opportunities for students to develop and embody them throughout their time at school.

These virtues are at the heart of everything we do and underpin all aspects of school life, including our Personal Development programme, which encompasses PSHE, careers education, and a wide range of enrichment opportunities both within and beyond the classroom.

We encourage students to embody our four core **Student Virtues: Respect, Responsibility, Ambition and Courage**. These qualities help young people build positive relationships, make good decisions and contribute positively to their community.

Recent student voice surveys showed that some students found it difficult to identify examples of these virtues in everyday life. To support their understanding, we will be focusing on Respect throughout this half term.

Respect is the foundation of a positive and supportive school community. When we treat others with kindness, consideration and respect, everyone feels valued, safe and included.

Respect is often shown through small everyday actions, such as listening carefully to others, using good manners, and showing appreciation. Simple words like please, thank you and sorry can make a significant difference to our interactions and help build stronger relationships.

We ask for your support in reinforcing these values by talking regularly with your child about the importance of being respectful, responsible, ambitious and courageous, and by encouraging them to demonstrate these virtues in their everyday lives.

By encouraging students to practise respect every day, we are helping them develop a lifelong skill that will benefit them at school, at home and in their future lives.

School Uniform Changes from September 2026

We have made some **important updates to our School Uniform** in line with the national guidance set out in the Children's Wellbeing and Schools Bill.

These changes are designed to support families by reducing the overall cost of school uniform. This will be achieved by limiting the number of compulsory branded items and increasing flexibility in where uniform items can be purchased.

As a result, families are able to buy more items from a wider range of retailers, helping to ensure excellent value for money, while maintaining a smart and consistent appearance across our student body. We remain fully committed to a uniform that promotes pride in our school community, while also being affordable, practical and inclusive.

The only changes are to the PE kit, and full details are below.

All students need to have an AGS branded polo shirt and an AGS branded long sleeved top. All other PE kit does not need to be AGS branded eg plain navy football socks, plain navy shorts.

Allerton Grange School uniform

No jewellery other than plain, single, discreet studs, one bangle/band per hand and one plain ring per hand. One clear nose stud permitted.

Extreme hairstyles (as decided by the school) are not acceptable eg. hair curling (natural hair tones only), team lines, hair shaving – not below a grade 3. Navy blue, plain hair accessories are preferred style.

Minimal make-up permitted in years 7 - 11 (as decided by the school).

In the second half of the summer term, blazers and jumpers are optional. Long or short sleeved shirts must be tucked in and always worn with a tie.

AGS school tie:
Blue for KS3 (years 7, 8, 9)
Red for KS4 (Years 10, 11)

Navy jogging bottoms - winter (plain, loose style, no logos, no
leggings)

This information is also available on the school website [School Uniform page](#).

Flu Vaccinations (Year 7 to Year 11)

The children's flu vaccine helps protect against flu. Children can catch and spread flu easily. Vaccinating them also helps protect others who are at higher risk of getting seriously ill from flu, such as babies, anyone who's pregnant and older people.

The School Aged Immunisation Service will in school on Friday 6 and Monday 9 November 2026.

Parents and carers need to complete an online form to either give consent or refuse consent.

The children's flu vaccine is usually given as a quick and painless nasal spray in each nostril. Children who cannot have the nasal spray vaccine will get a different flu vaccine, given as an injection

[Find out more and how to complete the online consent form.](#)

Social communication and interaction (including autism) team parent / professionals training

This session is free to both parent and professionals.

Parents can book their places by emailing leedsforlearning@leeds.gov.uk.

Emotional Wellbeing

- 11 November 2026, 10am to 11.30am
- 11 November 2026, 5pm till 6.30pm

This session will explore why autistic children and young people are at greater risk of poor mental health. We will discuss how we can work with children and young people to explore the causes of poor mental health, overcome barriers to wellbeing, and support the development of coping mechanisms. The session is best suited to parents and professionals supporting children of school age. The content may be less useful for those supporting children in the early years or who are developmentally equivalent to a child in the early years.

Sensory Support in the Home

- 3 March 2027, 10am to 11.30am
- 3 March 2027, 5pm till 6.30pm

This session will give a brief introduction to sensory processing and regulation, exploring its importance in supporting the wellbeing of autistic children and young people. The session will also offer advice around sensory support strategies that can be implemented in the home. This session is for parents and professionals supporting children of any age.

Keeping autistic children and young people safe online

- 5 May 2027, 10am to 11.30am
- 5 May 2027, 5pm till 6.30pm

This session is suitable for parents and professionals who are currently supporting children and young people to navigate the online world safely. During this workshop we will explore the importance of online media to autistic identity and wellbeing- to build positive connections and communities. We will also discuss how to monitor the safe use of online platforms and understand vulnerabilities when young people access these.

NHS Healthy Start Scheme

The NHS Healthy Start scheme helps families on low incomes buy healthy food and milk.

Women more than 10 weeks pregnant or families with a child under 4, may be entitled to access the scheme. Eligible families receive a prepaid card which can be used to buy fruit, vegetables, pulses, milk and infant formula. They can also receive free Healthy Start vitamins.

The card is topped up every four weeks. Eligible families receive £4.65 per week during pregnancy and for children aged one to four, and £9.30 per week for children under one.

Families can find out if they are eligible and apply online at www.healthystart.nhs.uk.

Neurodiversity Support Resources

The West Yorkshire Neurodiversity Programme and AllStar, have developed high-quality, practical, and accessible resources to support neurodivergent individuals and their families across Bradford, Calderdale, Kirklees, Leeds, and Wakefield.

Resources have been developed for the following key areas:

- School transitions
- Sleep
- Food

There are videos, booklets and audio formats, available in plain text, with or without subtitles, and with or without sound to suit different learning preferences.

The resources are [available here](#).

What's in Your Vape?

Following incidents with students using vapes, to help keep all members of our community safe, please read the information below, provided by Leeds City Council, about vapes and the dangerous substances they may contain.

WHAT'S IN YOUR VAPE?

An increasing number of vapes contain illicit substances - and it's impossible to know **which** ones they are without having them tested.

Most vapes that are sold as **'THC'** or **'cannabis'** actually contain **'spice'** - a synthetic drug that is much more dangerous and addictive.

Cannabis is a plant-based drug that can affect **mood, memory, and coordination**.

While it can still lead to dependence and mental health harms, there is no risk of fatal overdose.

"Spice" is the name given to a range of synthetic (man-made) drugs.

200+ types of spice have been identified so far.

They are all more dangerous and more unpredictable than cannabis. They carry a far higher risk of addiction, overdose, psychosis, seizures, and death.

"Spice" is incredibly cheap to produce. Criminals can make bigger profits by selling it as cannabis or THC. Recently over 95% of 'drug vapes' tested were found to contain 'spice'.

"Spice" has also been found in sweets and other foods sold as 'cannabis edibles' and in herbs sold as cannabis.

The only way to know what your drugs contain is to have them tested!

Free drug testing is available through Wedinos.

Scan for more info.

MYTHS & FACTS

Because **'spice'** & **'drug vapes'** are relatively new there is a lot of misinformation about them.

The number one rule of harm reduction is **know what you are taking**.

With vapes the only way to know is to **test!**

MYTH: You can tell if it's THC by the colour - it will be a greenish colour.

FACT: 'Spice' can be made in any colour, including those matching THC. Any colourful liquids are likely to be dangerous, fake nicotine liquids or 'spice'.

MYTH: You can tell if it's real by the price - THC and cannabis vapes/liquid will cost more.

FACT: While it's true that 'spice' is much cheaper to produce, dealers just have to raise the price to convince you it's THC! Then they make more profit!

MYTH: You can tell if it's THC by the type of coil in the vape.

FACT: THC can only be vaped via a ceramic coil, 'spice' can be vaped via **any** coil. If it's not ceramic it's not THC. Just because it's ceramic, doesn't mean it's THC.

MYTH: Thick vape liquid, or liquid that traps bubbles is real THC or cannabis.

FACT: Vape liquids can be made thicker or thinner, whatever the dealer wants. There is no way to be sure without testing!
