Dear Parent/Carer

Re: Non-uniform, Mental Health Day

The Allerton Grange Student Leadership Group, led by sixth form, arranged for Friday 9th October to be a non-uniform day. To participate, students are asked to wear either green or yellow (colours that resemble mental health), and to bring £1 donation, all proceeds will go to the Samaritans. This comes following the recent national lockdown to support and promote mental health services who have helped so many people during these challenging times.

Research shows, it costs the Samaritans £5 to fund one phone call. If all of our students get involved with this activity we can, potentially, help 400 people.

If students have PE as part of their timetable on Friday, it is expected that they arrive at school in appropriate clothing to take part in the lesson.

Students who do not wish to be take part must wear full school uniform as per usual.

Yours faithfully

Ms J Smith
