

Allerton Grange Exam Results 2025

Allerton Grange is a good school, with a strong reputation in the local community, where our students of all backgrounds and abilities are happy and make positive progress.

Our increasing success is due to our rigorous, knowledge-rich curriculum supported by four cornerstones: knowledge, literacy, aspirational enrichment, and service and leadership. Through this we aim to provide an exceptional quality of education.

Best A level Results Ever!

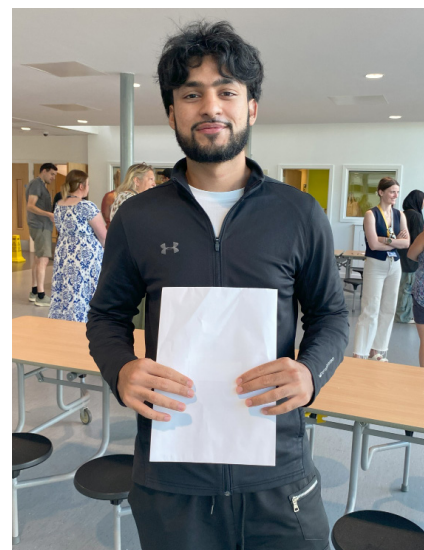

We are so proud of this year's students who have shown great commitment to their Sixth Form studies, and have worked incredibly hard to develop their knowledge and skills inside and outside of the classroom.

This year's results included:

- **80 A* and A grades,**
- **96 B grades** and
- **30 Distinction* and Distinction grades.**

The majority of students will now be embarking on degree and foundation courses, or degree apprenticeships, across the country.

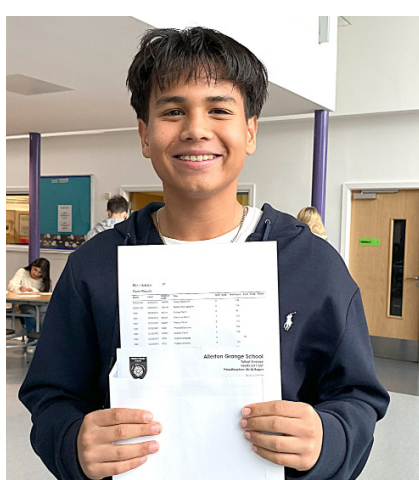

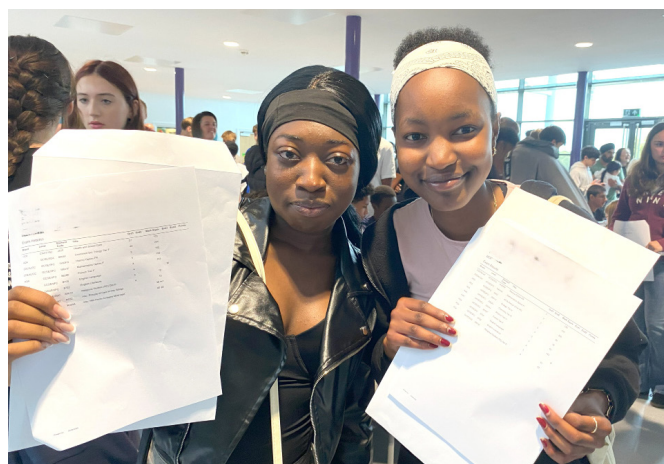

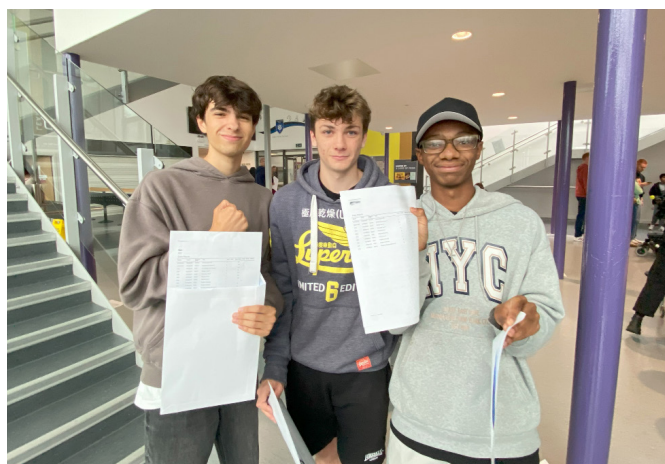

Many students have places to study at Russell Group Universities, including the University of Bristol, University of Cambridge, Durham University, University of Leeds, University of Liverpool, Newcastle University, University of Sheffield, University of York.

Best GCSE Results Ever!

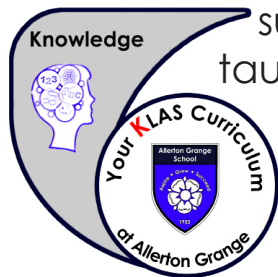

Year 11 students embraced the challenge of their GCSE exams and the results show this.

- **Students attained our highest ever benchmark scores of grades 5 and above in English and Maths.**
- **164 top grade 9s** were achieved by students.
- **21 students achieved 4 or more grade 9s.**
- **87% of students entered for EBacc** (English, Maths, Science, History or Geography, and a Language)

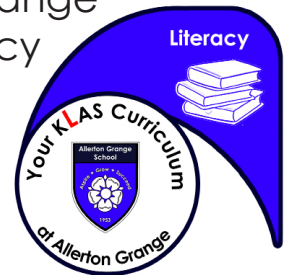

Our focus is on delivering an exceptional quality of education, through the implementation of the KLAS curriculum ensuring the full development of each child, regardless of background or ability.

The KLAS curriculum sits at the heart of everything we do at Allerton Grange. We believe that all students need to learn strong and powerful

subject knowledge to succeed. 98% of classes are now taught by qualified subject specialists.

Literacy is pivotal for success: Words Matter teaches subject specific and core vocabulary needed for academic success; Drop Everything And Read means that each year group enjoys sharing a challenging novel and are exposed to new concepts and vocabulary. A range of effective intervention programmes also support literacy development.

Our aspirational enrichment programme is full of exciting opportunities for our students. Over 42 extra-curricular clubs run each week. Over 100 school trips took place last year to local, national and international destinations. It is important that our young people experience the wide culture of the world around us, so trips have included visits to Parliament, sporting events, theatres, museums, galleries and even outdoor pursuits. We have exciting links with local and national universities, and are developing even stronger links with employers and businesses, including KPMG and Burberry.

All this leads to a well-rounded and well-informed student, ready to take the next steps to their aspirational choice of university, apprenticeship or employment.

Aspire, Grow, Succeed
