Dear Parent/Carer

Seasonal Flu vaccine offer – Reception to Year 11

The seasonal flu vaccine is part of a national programme to protect children, their families and communities against serious complications of influenza, reduce the spread of the virus and help protect vulnerable people. For more information, including possible side effects please visit: [Flu vaccine - NHS](#)

How to consent: We are coming to your child's school on **6th & 9th November 2026**, please ensure that you have submitted a form even if you do not consent, no later than 3pm, 7 days prior to the session.

Please click on the link below or scan the **QR code** for the online consent form. You will need to use the **unique school code** provided to complete the consent form as soon as possible. You will need to submit one form per child.

www.leedsimmunisations.co.uk/Forms/Flu

School Code: **EE108058**

Does the nasal spray contain porcine?

Yes, but it is a very purified version which is barely detectable and because it is for medical purposes, it has been deemed permissible for use by the British Fatwa Council. We can offer an injectable vaccine alternative that **DOES NOT** contain porcine. This

Leeds Community Healthcare NHS, Bradford District Care NHS, Calderdale & Huddersfield NHS and Locala Health & Wellbeing School Aged Immunisation Services work in partnership as part of **West Yorkshire Immunisation and Vaccination Collaboration**

vaccine is only administered in those that require it for medical or cultural purposes because the nasal spray is the most effective vaccine in this age group.

As of September 2026, we will now administer both the nasal spray and injectable vaccine in primary as well as secondary schools.

After submitting consent, if your child attends the GP for the vaccination, you change your mind or if there are any health changes, you MUST contact us on the number above. (Please note that GP practices do not routinely offer Flu vaccinations to healthy children)

Providing you enter a correct email address, you will receive email confirmation when your child has received their vaccination, including information and advice about common side effects your child may experience.

Support in accessing or completing a form: If you experience any problems accessing or completing the online form, please contact us on the above telephone number and our team will be happy to help. Alternatively, our short video may help answer your questions; [LCH School Aged Immunisation Team: Flu Vaccine - YouTube](#)

Yours faithfully

School Aged Immunisation Service
