Dear Parent/Carer

## Re: Festive Jumper Day - Friday 17 December 2021

The Allerton Grange Student Council has arranged for our last day, Friday 17 December, to be a festive dress down day. To participate in this non-uniform day, students are asked to bring a £1 donation. Please encourage your child to be as festive as possible, by wearing a Christmas jumper, or a green or red top. For those students taking part, school trousers/skirts and shoes are still to be worn. If your child has PE on a Friday, please ensure he/she is wearing AGS tracksuit bottoms or shorts and trainers.

It is not compulsory to take part. However, students who do not wish to be involved must wear full school uniform.

This is a great opportunity for our students to join in the festivities, whilst raising funds for a great cause. All money raised will go to the charity YoungMinds.

Yours faithfully

Ms J Smith  
Student Council Leader
