Dear Parent/Carer

Re Y10 Sixth Form Taster Day – Friday 16 June 2023

I am writing to inform you that all students in Year 10 will be taking part in our Sixth Form Taster Day on Friday 16 June 2023. This is an exciting opportunity for our students to experience a day in the life of Allerton Grange Sixth Form and to support them in making choices about their education opportunities post 16.

Allerton Grange has an inclusive and academic Sixth Form with a broad range of courses and enrichment to support students in their transition to higher education and higher level apprenticeships. The Taster Day will allow students to experience four A level lessons of their choosing. They will also hear from our current student leadership group about life in the Sixth Form and the many opportunities that we are able to provide young people.

During the final session of the day, students will attend an enrichment fair in the Sixth Form building. They will be able to speak to our current Sixth Formers as well as enquire about all of the supra-curricular and extra-curricular opportunities that are available to strengthen their applications and support their personal development. This includes access to a range of additional courses such as the Extended Project Qualification (EPQ) or discovering the wide range of activities offered in our form time enrichment programme such as public speaking and learning British Sign Language.

Students are not expected to wear their school uniform for the day but should be dressed appropriately following the Sixth Form dress code outlined below:

- No jogging bottoms
- Skirts and shorts should be of an appropriate length i.e knee length
- Midriffs should not be visible
- Lanyards must be worn at all times

Students should arrive for registration at 8.50am and the school day will finish, as usual, at 3:00pm. We really hope that students take full advantage in considering an aspirational Sixth Form that will provide them with the courses, enrichment and skills they need to progress to adulthood.

If you have any questions, please do not hesitate to contact me via email.

Yours faithfully
