Road Safety Awareness

Be a considerate driver
Do not park on restricted areas on Talbot Avenue or Lidgett Lane
Be respectful of our local residents
Please use the turning circle paying attention to the speed limit
Obey speeding restrictions; they are there to protect our children
Look after the environment and switch off your engine, when stationary,
for cleaner air!

Dear Parents/Carers

Re: Year 13 PPEs and Beyond Guide

This week, you will receive the latest information regarding your child's attainment, including their predicted A Level grades. This is also a key time for university offers, apprenticeship applications and interviews. As a result, over recent weeks, I have had many conversations with students about their next steps.

I understand that it can be challenging for parents/carers to know how best to navigate the next steps and the transition from sixth form to university/training/employment. Please find attached to this letter, a guide to support students and parents/carers through this phase of education.

On the Allerton Grange School website, within the curriculum area, you will find revision materials and exam specifications for all subjects to support with revision and exam preparation.

Please contact subject teachers or curriculum leads for questions relating to individual subjects. For support with careers and next steps, please contact me and for any other questions or concerns, please continue to contact the sixth form team (Mr Macrow, Mrs Knox-Renshaw, Mrs Fryer or Mrs Wraith).

Yours sincerely,

Louise Mills
