Dear Parent/Carer

Re: Year 7 Supporting Success Evening. Tuesday 10 September 2024 – 6-7pm

We would like to invite Year 7 students and their parents/carers to the 2024 Year 7 Supporting Success Evening on Tuesday 10 September, from 6.00 – 7.00 p.m. in the main hall. Please arrive through the main school entrance. This will be an opportunity for you to learn about the academic curriculum that your child will encounter; how and when reports will be communicated to parents; how Class Charts can be used by parents to support their child and monitor homework; revision strategies to help your child embed knowledge into their long-term memory; as well as an overview of their three-year KS3 curricula journey.

The evening shall be hosted by Mr Fidler, Director of KS3, and myself, there will be an opportunity to ask questions at the end of the forty-minute presentation. We hope that you take this opportunity to join us: evidence-based research from the Education Endowment Foundation highlights that with parents who positively engage with the school community to support their child, achieve better outcomes in their national examinations.

We look forward to seeing you at this event.

Yours faithfully,

Kate Moore
