Dear Parent/Carer

IMPORTANT INFORMATION ABOUT YOUR CHILD'S HEALTH

ALLERTON GRANGE SCHOOL

YOUR CHILD'S HUMAN PAPILLOMA VIRUS (HPV) VACCINATION IS NOW DUE (BOYS AND GIRLS)

Due to the success of the HPV vaccination in significantly reducing HPV related cancers and genital warts, the HPV vaccine is now offered to boys as well as girls. The vaccination is offered to children in Year 8 (as of September 2020) and is given as a course of 2 injections over a period of 6 to 24 months. The HPV vaccinations are part of the NHS childhood immunisation programme.

Please complete the online consent form as instructed below;

Please complete the online consent form by clicking **here**: <https://bit.ly/3cmRlkr>

Or access the online consent form, by typing the following address into your internet browser:

https://www.leedsimmunisations.co.uk/Forms/HPV_p1

You will need to enter a unique code for your child's school. The code is: **EE108058**

Nurses will be in on Wednesday 3 November to administer the injection. Please ensure your child attends school in his/her PE kit on this date.

Important: If you do not wish your child to receive the vaccination, it is still important to complete the "refusal section" on the form so that we understand your wishes.

Please complete this form as soon as possible. If we do not receive the consent form before the immunisation session, your child will not have another opportunity to receive the full vaccine course in school.

Further information about the HPV vaccination is available [here](#) or by searching www.nhs.uk

If you experience any problems accessing or completing the online form, please contact us on 0113 84 33101.
