

Curriculum Attainment Indicators – 2024-25

Curriculum Attainment Indicators	
Complex	A complex and solid grasp of skills/application and knowledge of a subject at this point in the student's learning journey.
Secure	A secure grasp of the skills/application and knowledge of a subject, at this point in the student's learning journey.
Consolidating	Some aspects of the students' work demonstrates a secure grasp of the skills/application and knowledge of a subject, at this point in the student's learning journey however, there are inconsistencies in the security of this knowledge.
Developing	Knowledge/skills/application are emerging, but these standards are fragile and very inconsistent in the subject, at this point in the student's learning journey.
