Dear Parent/Carer

Year 12 Next Steps

Thursday 1 May is our Next Steps Day for Year 12 where students will be following an alternative timetable that will provide them with information regarding their post 18 options. I have provided the outline of the workshops below so that you can see what your child will be learning throughout the day:

- Post-18 options
- Apprenticeships
- Personal statements
- Interview skills
- NHS careers
- Gap Years
- Linked-in

For those considering university, now is the perfect time to begin conversations with your child and to visit university open days. You can use the following link to access UCAS Explore which will help you to search through Open Days: [UCAS Explore - Open Days](#)

Our aim is that all students will have begun their application and completed a draft of their personal statement before the summer holidays in readiness for the start of the next academic year. We will host a UCAS information evening for parents in September.

If you require further support with post-18 destinations, please do not hesitate to contact the Sixth Form Team.

Yours sincerely

Jordan Macrow
Assistant Headteacher – Director of KS5
