

Year 12 Welcome Evening

School Vision

At Allerton Grange, our KLAS curriculum is the driving force behind advancing social mobility and celebrating cultural diversity.

Allerton Grange's continual improvement will ensure that, by 2025, we are delivering an exceptional quality of education for all students.

Allerton Grange is committed to ensuring that all students have the subject knowledge, the vocabulary, the experiences, and the character to secure places at world-renowned universities and on elite training programmes, which will enable them to make aspirational career choices.

KLAS Curriculum

The KLAS curriculum at Allerton Grange ensures that students know and remember more; they read and understand more and their character and confidence grows. Our student leadership programme enables students to take on additional responsibilities. We invest heavily in developing our staff and ensuring each team member grows as a professional.

The jump between GCSE and A level is not an easy one but we are here to support students with it.

Curriculum content is significantly harder and it is naïve of students to believe they can coast through their A-levels no matter how academically able they are.

Research has shown that past performance does not guarantee future performance.

Behaviour Expectations

The Sixth Form Code of Conduct operates around our Freedoms and Expectations that all students in Year 12 have agreed to in their application.

Handout Provided

Sixth Form Dress Code

While students have the freedom of a less restricted dress code than the rest of the school, Allerton Grange Sixth Form is still a place of learning based within a school community. This means that business-like attire is more appropriate for this setting based on the dress code below:

- No jogging bottoms
- Skirts and shorts should be of an appropriate length i.e. knee length
- Midriffs should not be visible
- Discreet facial piercings are permitted
- Lanyards must be worn at all times

If a student is found to be in breach of these guidelines they will be asked to go home to get changed.

16 – 19 Bursary Information

Financial support is available to those students most in need, throughout their time in the Sixth Form, using the 16 - 19 bursary fund. This fund has three levels of eligibility criteria.

Those students who can prove that they are eligible may claim the 16 - 19 bursary fund to support them with food, travel, equipment, books, university trips and open days, and course costs such as materials, trips and visits.

The three levels of eligibility are:

- A student who is currently in care or is a care leaver
- A student who already claims free school meals
- A student whose household income is less than £25, 000

To claim the 16 - 19 bursary fund, students must complete the application form via our school website or collect a hard copy from Mrs. Gillibrand, and return it to the Sixth Form office.

Students who are eligible for the bursary can also apply to borrow a school laptop for the year.

Form Time Expectations

Students are expected to attend all Form session every morning.

Monday – Forward Planning

Tuesday and Wednesday – Aspirational Enrichment

Thursday – Assembly, UCAS, PSHE

Friday – 1:1 Conversations, students only need to attend if they have one

Supported Study

Students will have supported study listed on their timetables and these should be attended just as any other lesson.

These sessions are designed to give them access to IT facilities so that they can complete independent work. This is work directed by teachers to ensure that they have recovered, revised and understood the material.

It is also an opportunity to ensure that notes and files are up to date and in good order; catch up on any learning that students may have missed; read up on their subjects to broaden their knowledge and prepare for aspirational University and higher level degree apprenticeship applications.

Student Leadership

Allerton Grange Sixth Form are particularly proud of their student leaders. The student leadership group comprises of two head students, 5 deputy head students and a group of student leaders. To be a member of the SLG candidates are chosen by application and interview. The head students represent the school at a number of community events and are expected to give presentations to parents, students and teachers when required. The group also work on their own initiatives each year and are the Sixth Form representatives.

Community Action

Allerton Grange Sixth Form has community as one of its core values and driving principles. To develop responsibility and wider skills, students are expected to undertake 30 hours of community action.

This is a programme where students volunteer either inside or outside of school and can take action through a range of mentoring schemes. For example, reading or support with subjects and the wider school community
